FRIDAY NIGHT LIGHTS WELL UNDER WAY

Football season is off to an exciting start this fall, and there's already plenty to talk about.

As the 2025 high school football season in Southern Nevada progresses, several teams have emerged as frontrunners, while others are making significant strides toward playoffs.

Bishop Gorman (6-1) continues to dominate, with Liberty (6-1) close behind as a consistent powerhouse. Arbor View (5-2) has held strong. Shadow Ridge (6-1) has also impressed with solid performances and key wins.

With the season progressing, teams are gearing up for critical matchups and the upcoming playoffs set to begin this month. As the competition intensifies, Southern Nevada's high school football scene promises more action.

VAPING: A REAL LIFE NIGHTMARE

Haunted houses and horror movies are full of fake scares, but vaping is the real terror. Vapes are loaded with nicotine, hooking you fast, trapping you in its haze, and messing with your brain. The vapor? It's full of poisonous chemicals that damage your lungs and can haunt your health for life.

Vape companies want you addicted, that's their trick - and they use flavors to do it. This October, free yourself and ditch the vape.
